### **Speaking Topic #1:**

## **From Crickets to Clients: The 90-Day Fix to Ignite Consistent Client Growth**

You are working hard and hustling in your business but continue to struggle with consistent client growth, or maybe have hit a plateau or drought where it's been months since your last new client. Panic is starting to set in, and you are looking for the silver bullet to turn things around.

Perhaps you're thinking that a new website is the answer. Or hiring someone to do SEO on your current website. Or think the answer is paying for ads on the latest social media platform, or that investing in expensive funnels or lead generation software are the solutions to bring more followers or leads. HINT: NONE of those will fix the problem when the fundamentals either are not in place or are not working effectively.

Yes, you might need to invest in some of these tactics to accelerate client growth down the line, however right now you are spinning in circles focusing on the wrong actions to create better RESULTS.

In this talk, you will learn how to get laser focused on the 3 business foundations (non-negotiables) that every business on the planet needs to focus on daily to see consistent growth. These building blocks are essential and will help you get off the crazy train you are on right now that isn't resulting in client growth and improve your bottom-line RESULTS.

**Come to this presentation and you will learn:**

- 2 Factors that will predict your revenue in the next 90 days.
- The 3 top business foundations to create a client growth engine that will help you go from feeling like a one hit wonder to a business owner that knows how to create repeatable success.
- Identify the gaps in your current strategy and skill set that you need to bridge to turnaround your sales slump.

### **Speaking Topic #2:**

## **Beyond Visibility: The New Rules of Client Attraction for Results-Driven Business Leaders**

Without a steady stream of buyers, your business may be on life support. So many business owners are busy focused on creating visibility that isn't translating into client growth or a positive

return on investment. That is because buyers are evolving and to stand out in a competitive landscape you need to be seen as the Must Hire – not just a likeable expert.

The traditional methods of attracting buyers such as buying ads and paying for leads is incredibly expensive, and the constant changes in the various social media algorithm are costing you both time and money. Similarly, while outsourcing your sales, building complicated funnels or using automated strategies may be an option, there are no guarantees of strong results and a positive ROI, and you need buyers NOW.

Client growth CAN be elegantly simple and building a client growth engine is the single most important skill you can learn if growth is your goal.

It all begins when you learn how to identify and attract not “someday” clients but clients who are ready to say, “HECK YES” and invest in your programs and services TODAY. This is the heart of your client growth engine and is the key to strong ROI on your marketing accelerators.

**Come to this presentation and you will learn:**

- Understand how to identify potential buyers and what makes a buyer different from a general audience member.
- Learn the critical buying signals to help you be more effective with your resources.
- 3 low tech highly effective strategies that do not require complicated tech or big advertising budgets to create significant results.

**Speaking Topic #3:**

## **Premium Clients, Simplified: How to Become the Must-Hire in a High-Ticket Market”**

Dreaming of building your business with high ticket clients and offers but struggling to build a Client Attraction Engine that converts consistently?

High ticket offers are hot right now in the marketplace and it CAN be an elegantly simple and profitable way to scale however to successfully attract a high-paying client you need to understand what makes these buyers different so you can build an effective strategy that doesn't require you to 24/7 or where success is based on using expensive tools or needing big budgets.

**Come to this presentation and you will learn:**

- How to identify a high-ticket buyer and understand their key expectations.
- 3 low cost, high touch marketing strategies that are working right now to attract high paying clients.
- How to position yourself as the must hire choice of a high-ticket buyer.
